**IMPORTANT NOTES--read before you order!**

- 1) **Grade 3 may use either** the *Funbook* or the course built around *My State Notebook*. If the student does not read well and is not ready for a chronological history study, use the *Funbook*. Most third graders do well with *My State Notebook*.
- 2) **The same Student Booklet is used for Grades 3-12.** The difficulty level can be easily and even individually adjusted using instructions and optional projects given in the Master Lesson Plan Book. Students will cut apart the Student Booklet and use the text, maps, and state symbol pictures as the basis for making a project notebook. **Quizzes, Tests, and Answer Key** are in the back of the Student Booklet, along with an optional study guide on your state constitution and a test on the constitution.
- 3) **The project notebook** for our grade 3-12 course may be made in a 3-ring binder or in A Beka Book's pre-formatted *My State Notebook*. Creating a notebook in a binder allows flexibility in content and teaches organizational skills. **For Grades 3-8 we recommend the use of *My State Notebook*, as this allows the student to focus on the content and still construct a beautiful notebook.**
- 4) **The Master Lesson Plan Book contains lesson plans for both of the project notebook options and for all grade levels (3-12).** The basic 30 lessons may be done in 6 weeks or expanded to your preferred course length using simple instructions and optional assignments in the Master Lesson Plan Book. Our Six-Week Independent Study Guide and our One-Semester Independent Study Guide are included in the Master Lesson Plan Book (recommended for individual students in grades 9-12). **For use in a classroom setting, permission is granted to photocopy ONLY the Independent Study Guides for distribution ONLY to one teacher's students (each teacher must purchase a separate copy). If you are teaching more than one level, order only one Master Lesson Plan Book.**
- 5) **Older lesson plan editions that may still be used** include the green booklet entitled *Lesson Plans (2001 or later)*, the *Six Week Independent Study Guide*, and the *One-Semester Independent Study Guide*. If you have a blue or cream-colored lesson plan book, please order a new one.
- 6) **Prices below reflect a 15% discount on all items except *My State Notebook*.** If you wish to obtain a discount price on *My State Notebook*, please order directly from A Beka Book. **\*\*OUR MATERIALS ARE COPYRIGHTED AND MAY NOT BE DUPLICATED\*\***
- 7) **If you are outside the lower 48 states, shipping will be charged at 10% or actual plus \$3.00, whichever is more. Please specify your preferred shipping method:** \_\_\_\_\_

### A Helping Hand

We now carry an EXCELLENT church history book and a corresponding student workbook!

**Sketches from Church History** by S.M. Houghton is a 245-page, illustrated discussion of the events and people who have been instrumental in the formation and preservation of Christianity. It is written from the Protestant perspective and begins with the early church. It chronicles the spread of the Gospel and the development of Biblical understanding in Europe and then in America. This is an exciting and inspiring book written in an interesting style appropriate to middle school or high school students. It would be a great choice for a book report book, or it can be used as a one-semester history and/or Bible elective using the workbook described below.

**Sketches from Church History Student Workbook** by Rebecca Frawley provides worksheets for the student to fill in as they read through the textbook and three tests over the material that is covered. Included in the workbook is a schedule for using the materials as a one-semester course (18 weeks, 3 classes per week). Includes timelines and answer keys for worksheets and tests.
