

PRINTABLE SAMPLE

My State History Funbook course for Age 4 –Grade 2

**The state we have chosen for the Printable Sample
is Mississippi.**

PLEASE NOTE that the order and instructions for these Funbook Sample Pages and cutouts have been modified for ease of use as a sample.

The actual course comes with the spiral-bound Funbook and the complete packet of Activity Pages for the state you choose. Teacher instructions are included in the Activity Pages packet. Most of the cutouts in the actual Activity Pages packet are printed on colored paper. In the actual course, the student will be adding pictures from free tourist literature (we tell you where to get it) or from places you visit together as a family.

Attached are four sample pages from My State History Funbook and three pages of cutouts that your student will need to complete the pages. Each Sample Page is intended to be one day's lesson.

We hope you enjoy this short sample! You can order the complete course for your chosen state at www.statehistory.net.

We also offer a complete upper-level state history course on every state (grades 3-12). The two levels are correlated so you can teach all your students together.

In addition, we offer a history-based study of all 50 states in order of statehood on two levels (Fifty States Under God, for grades 3-12, and Fifty States Under God for Young Learners, for age 4 – grade 2) and a geography-based study of all 50 states in order of statehood (Geography of the Fifty States, for grades 3-12).

OF MY STATE

My state is divided into sections according to the type of land in each section.

Cutouts for Printable Sample of My State History Funbook course for Age 4 –Grade 2

The state we have chosen for the Printable Sample is Mississippi.

PLEASE NOTE that the order and instructions for these Funbook Sample Pages and cutouts have been modified for ease of use as a sample.

The actual course comes with the spiral-bound Funbook and the complete packet of Activity Pages for the state you choose. Teacher instructions are included in the In the Activity Pages packet.

Sample Lesson 1

Have the student paste a photo of himself/herself in the top box on Funbook Sample Page 1.

Have the student color the map below. (In the actual course, this is printed on colored paper). Have the student color the rest of the area inside the box a different color.

Have the student cut out the box and paste it in the bottom box on Funbook Sample Page 1.

Sample Lesson 2

Read the interesting fact below to the student. Have the student color the picture. Then have the student cut out the box and paste it on Funbook Sample Page 2. Have the student color the letters of the heading at the top of Funbook Sample Page 2.

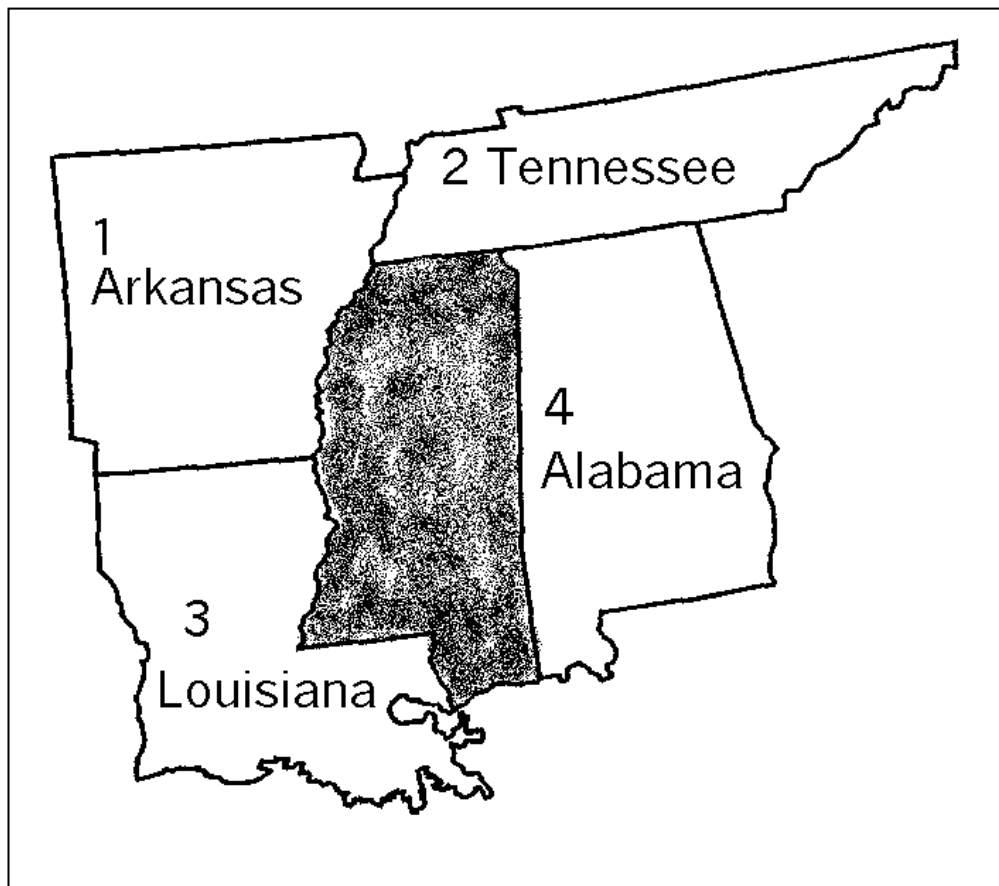

Two Mississippi towns got married! Pittsburg and Tullahoma were rival towns. In 1836, they merged to form Grenada. There actually was a wedding to symbolize the merger. The groom was from Pittsburg, and the bride was from Tullahoma.

Sample Lesson 3

Have the student color by number below, then cut out the box and paste it on Funbook Sample Page 3. Have the student color the letters of the heading on Funbook Sample Page 3.

- 1 = red
- 2 = blue
- 3 = green
- 4 = orange

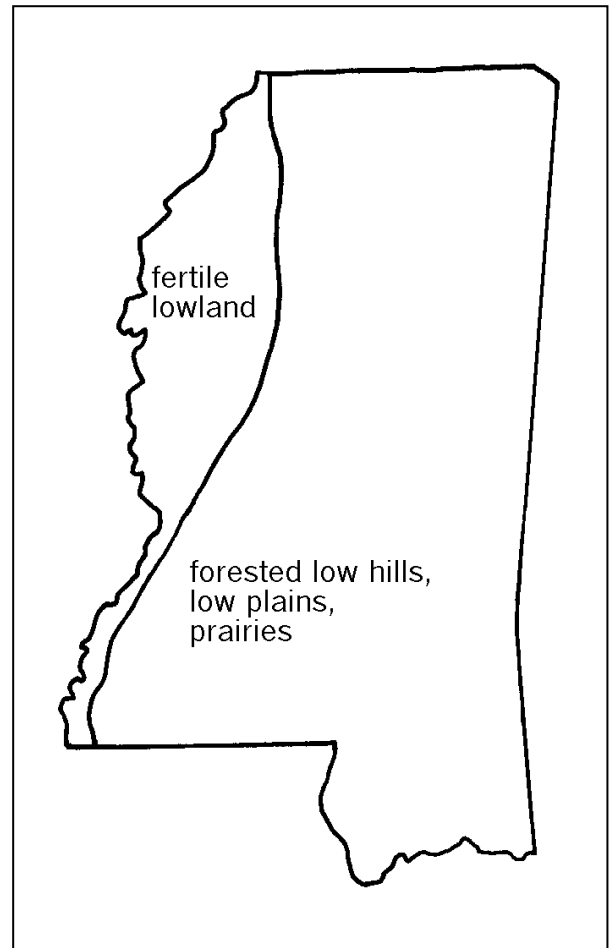

Sample Lesson 4

Have the student color the area inside the box to the right but not the map itself. (In the actual course, this map is printed on colored paper).

Cut out the box and paste it on Sample Funbook Page 4.

Then have the student color the “pieces” below and cut them out. Choose one of the following options:

- 1) Have the student paste them on top of the map in the correct place.
- 2) Put sticky-tack on the backs of the pieces and have the student stick them on the boxed map in the correct place. Whenever desired, the pieces can be removed and the puzzle can be done again.

New One- or Two-Year Plan for Homeschoolers!

Study your way through **all fifty states in order of statehood**,
inserting a more detailed study of your own state when you come to it in chronological order!

- ♦ Teach all your students together, age 3 through grade 12
- ♦ We provide a schedule (see below)

Grades 3-12: Your study begins with our two fifty-states books, which you use simultaneously.

Both books are completely self-contained—no additional books, resources, or teacher materials needed

Fifty States Under God

teaches your student what our country was like during its growing period!

- Includes a **timeline** and a **progressive map study** so your student can watch the map change!
- Provides four pages for each state:
 - A page of **interesting facts**
 - Two **work-pages** of important **state data**
Includes **reference section** and **symbol pictures**
 - **GREAT STORIES** from a Christian or historical perspective
- Contains five tests on the **progressive map study** and the current US map (student learns **states, capitals, state nicknames, 2-letter postal abbreviations**)

Geography of the Fifty States

teaches the geographical regions and major geographical features of the U.S.

- Compares the growth pattern by state with the geographical regions, **showing how geography correlates with history**
- Provides four workpages of interesting geographical information about each state with maps the student will color in with highlighters and label
- Teaches **geographical terms and definitions**
- Contains five tests over **US geography** and **geographical terms**

When you come to your own state chronologically, you will insert a study of your own state using our *State History from a Christian Perspective* 30-lesson course:

- All 50 states available
- All students make a project notebook about their state using text material, maps, and state symbol pictures we provide in the **Student Booklet**
- Students add pictures and info from free tourist literature (we tell you where to get it)
- Simple and complete instructions in our **Master Lesson Plan Book** tell you what to do each day and allow you to **individualize the difficulty level and depth of the course** if desired
- The project notebook can be made in A Beka's **My State Notebook** or in a **3-ring binder**
- Course includes 6 quizzes and 2 tests and an optional State Constitution Study Guide

Age 3 through Grade 2 will learn with the older students using color-cut-paste books!

Fifty States Under God for Young Learners introduces the fifty states in the order of statehood

- Includes four pages per state
- Includes all state symbol pictures and cutouts

My State History Funbook provides a color-cut-paste introduction to the student's own state

- Includes a pre-formatted spiral-bound scrapbook
- **Activity Pages for your state** provide state symbol pictures and informational cutouts for your student to cut and paste into the scrapbook
- Student adds color pictures from free tourist literature (we tell you where to get it!) or from places you visit together as a family
